

To be the leading provider of charitable dental services to vulnerable communities

VISION

Deliver exceptional, no-cost oral healthcare to those most in need by supporting and mobilising the dental profession

To provide in excess of \$1 million in dental charitable services

To promote a culture of volunteerism and create avenues for community engagement within the dental profession

Build financial sustainability through strategic reserves

Broaden service delivery to underserved regional areas

Maintain strong relationships with ADA DHF and ensure high-quality care

 Ensure commitment from ADA NSW to support FTG's strategic goals

- Explore corporate partnerships
- Establish a Fundraising Working Group
- Create a performance dashboard

- Seek to increase the pool and geographical distribution of volunteers
- Increase the profile of FTG within the dental profession and the wider community
- Explore opportunities to expand the service to regional areas

 Continue to care for all vulnerable FTG and ADA DHF priority groups
